Come Here Often?

We sure hope so! Our goal is to provide you with exceptional service and menu selections that are truly "anything but typical." Whether you're a regular or a soon-to-be regular, we want to hear from you with any suggestions and ideas you have to help us continue to reach our goal. To make it easy for you to get in touch, use these QR codes to visit our website or to store our contact information in your smart phone.

Some friendly advice if you are new to using QR codes: Not all QR code readers are created equal. Our tech guru recommends using one called QRafter for iOS and one named Bar Code Scanner for Android. They scan faster than other free apps, and usually read more of the information in the code.
